Application No.: 09/712,768  
Notice Dated: July 21, 2004  
Reply to Notice mailed: July 30, 2004

The Notice asserted that the RESPONSE TO OFFICE ACTION INCLUDING AMENDMENT ("Response") filed on June 29, 2004, "is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121." (Notice at 1). In particular, the Notice asserted that "[t]he listing of claims does not include the text of all claims (including withdrawn claims)." (*Id.*). A copy of the Notice is attached hereto as Exhibit 1.

As the Notice directs we submit herewith as Exhibit 2 the complete AMENDMENTS TO THE CLAIMS section of the Response, containing a listing of the text of all pending claims. In view of the foregoing, it is respectfully submitted that the Response is in full compliance with Rule 121. It is expected that the PTO will replace the original Amendments section of the Response with the substitute section presented herewith.

For the reasons set forth above, favorable action on the merits, including entry of the amendments, withdrawal of the rejections and objections, and allowance of all the claims, respectfully are requested. If the Examiner has any questions regarding this paper, please contact the undersigned attorney.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, Alexandria, VA 22313-1450, on July 30, 2004.
